Reception Discloses An Engagement.

The members of Golden Link Rebekah Lodge, I. O. O. F., gave a reception in Fraternity Hall Wednesday evening from eight to eleven o'clock. Certainly no better place could be imagined for an assembly, and the Hall never seemed more inviting than on this occasion.

Stately palms and ferns decorated the brilliantly lighted room, the Rebekah colors—pink and green—being a feature of the decorations.

There was a delightful lack of formality; each one meeting every one else, and then the assembly melted into groups and couples and scattered through the Hall.

Frappe and Angel Food were served by Misses Eunice Tuggle, Flora Campbell, Glays Farrior and Ethel White. The favors were gold hearts pierced by silver arrows.

Strains of music were heard throughout the entire evening.

At the close Miss Annie Judson in her usual charming manner gave the recitation: "Announcing the Engagement," and in this way announced the engagement of Miss Mayme Tharp to Mr. William Hardwick of Headland, Ala. The date on which the culmination of this happy event will occur is Wednesday June 6th, 1912.

This announcement of the engagement was followed by a toast from Mrs. S. Berton Judson to the bride elect, who was lovely in a gown of hand embroidered crepe meteor over white satin.

Then as Dr. Mitchell rendered the solo, "To the End of the World With You," congratulations were extended.

Miss Tharp is one of Chipley's most charming young ladies, and Mr. Harkwick is a popular young business man of Headland, and connected with the First National Bank of that city.

The reception time passed all too quickly, and those present will long have occasion to remember the time they were so delightfully entertained in the Fraternity Hall.
